Solstice Double Arm

Overview

Housing The Solstice Double Arm post-top fixture features a heavy-duty cast and spun aluminum components. Electrical Components Zuma's high-performance LEDs leverage cutting-edge technology to enhance thermal management and ensure longevity. Each fixture is equipped with 80 CRI LEDs, with options for higher or lower CRI values available upon request. Available in Type II, III, IV and V distributions with wide choice of color temperatures from CCT (2700K - 5000K). This fixture can be specified with Sky Night Friendly optics, designed to mini- mize light pollution and upward light spill. For dynamic lighting control, 0-10V dimming capabilities are available upon request. Additional control options are outlined in the specifications above. For custom integration needs, controls can be tailored to seamlessly connect with existing management systems. For more detailed information or to discuss custom solutions, please contact our sales team. This fixture can be specified with Sky Night Friendly optics, designed to minimize light pollution and upward light spill. All exterior hardware is corrosion resistant stainless steel, supplied in its natural stainless finish. Color matched hardware is available on request for select finishes; consult factory.

Lens

Impact modified and UV resistant acrylic lens with continuous operating temperature up to 80°C. Maximum transmittance of 92% (clear). Lens can be specified with optional aluminum top.

Mounting

- Designed to fit over a 2-3/8" O.D. x 4" L Tenon (SF23804), 3" O.D. x 4" L Tenon (SF304), 3.5" O.D. x 04" L Tenon (SF3504), 4.0" O.D. x 04" L Tenon (or 4.0" O.D. x 4" Long straight pole (SF404).
- Available for use with a custom slip fitter (CSFxxx, e.g.: Specify: CSF3095 = Fits over a 3" O.D. x 9.50" L Tenon, CSF310 = Fits over a 3" O.D. x 10" L Tenon, etc.).
- Wall Mount Version (WM): Wall Mount (WM) version mounts on a wall over a 4" Octagonal through 5" square J-box. Consult factory for specifications.

Finish

Outdoor polyester powder coat, available in our Zuma standard finishes with a four-step pretreat process to ensure optimal adhesion and surface integrity. All standard finishes are provided in a fine texture with a matte sheen; additional textures and sheens are available upon request. Also available in custom RAL and in marine grade finish (MGF), specify.

Certificates & Warranty

- Designed to comply with UL 8750
- Suitable for Wet Locations
- 5-Year Warranty

Technical

- Operating Temperature: -40°F to 95°F (-40°C to 35°C)

Product specifications and design subject to change, at any time, without notice.
